

Learning Style Inventory

Name: _____

___ I remember best by writing things down or drawing pictures.

___ I remember best if I hear something.

___ I remember best if I can make something that tells about what I am learning.

___ I ask for directions to be repeated.

___ It is easier for me to listen to a story on tape than to read it.

___ I would rather play sports than read.

___ I like to read about something rather than hear about it.

___ I understand better when I read out loud.

___ I like playing card or board games to learn new things.

___ I am a good speller.

___ I follow spoken directions well.

___ I like to write letters or write in a journal.

___ I like to learn with posters, videos, and pictures.

___ I like to sing or hum to myself.

___ I like it when teachers let me practice something with an activity.

___ I am good at reading maps and graphs.

___ I like to talk to my friends and family.

___ I like putting together puzzles.

___ When someone is talking, I create pictures in my mind about what they are saying.

___ Music helps me learn things better.

___ If I have to solve a problem, it helps me to move while I think.

___ After school, I like to read books.

___ I can easily remember what people say.

___ It is hard for me to sit for a long time.

___ I like it when my teacher uses lots of pictures when teaching.

___ It helps when the teacher explains posters and pictures to me.

___ I enjoy dancing or moving to music.

___ I can remember something if I picture it in my head.

___ I can remember more about something new if I can talk about it.

___ I like to act things out to show what I have learned.
