Welcome Back to School!

My name is Alyssa Hall, and I am your child's new school counselor. I got a great college preparatory education at Harding Academy. I feel very blessed to be giving back to my alma mater.

I attended Harding University for my undergraduate and graduate studies. For the past two years, I have been a first grade teacher in Arkansas. My husband and I love the Arkansas Razorbacks, but we love our teacup Yorkie even more. I feel very blessed and thankful for all the things God has given me.

My goal is to develop and maintain a successful school counseling program to reach and serve every child. Your child will be seeing me around the school building and in classrooms. My desire is that all children will feel comfortable coming to see me as needed.

"Too often we underestimate the power of touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring; all of which have the potential to turn a life around."

-L. Buscaglia

"For we are God's handiwork..."
-Ephesians 2:10

Great Study Habits:

- Listen to instructions
- Write down assignments
- Use your time wisely
- Check your work
- Get organized
- Ask for help

Review these study habits with your child these first few weeks of school. It is important to help your child transition back into the school year. Thank you for helping your child be successful with his or her school work!
